

## Visitor Guidelines & Safety Measures

The Prague City Museum requires all visitors to follow the Czech Ministry of Health safety measures stipulating that they must wear a protective face mask that complies with the relevant standards (e.g. FFP2, KN 95) or a nano mask inside the museum, and they must keep a distance of at least 1.5 metres from others. The participants of guided tours and other collective events for more than 20 people (except for school groups) must present the following:

- Valid full vaccination certificate – (at least 14 days have to elapse since the last dose); or
- Laboratory confirmation of COVID-19 from which no more than 180 days have passed; or
- Negative RT-PCR test not older than 72 hours:
  - a) persons under 18
  - b) persons who cannot get vaccinated because of contraindications
  - c) persons fully vaccinated against COVID-19 where 14 days have not elapsed since the complete vaccination (the second dose of a 2-dose vaccine or the first dose of a single-dose vaccine)

**In case of failure to meet at least one of the above-mentioned measures, visitors will be denied entry to the event even if they have a valid ticket.**
